Fusion Wedding Photography
2017*

“Pittsburgh Imagery’s photographs are truly breathtaking. His photos are raw and not enhanced by Photoshop, which is important since you know you’re actually getting a professional photographer. Kevin is wonderful and makes your wedding day that much more exciting. We even received our preview just HOURS after our reception ended. I highly recommend Kevin for anyone who wants the perfect wedding photos.”

Thank you for your interest in my photography. With over ten years in the wedding industry, I strive for trendy, fun photos as well as classic portraits. I use a fusion of classic portraiture and newer, candid / photojournalistic styles to create a diverse wedding photo collection. I offer the coverage and photos that my clients want, not what fits into my portfolio. I have created a my style by working along side some of the best and not-so-great photographers in Pittsburgh. My goal is to provide photographs and art that all generations will cherish. In my tens years of wedding experience, I have learned what it takes to capture all the details and emotions of the wedding day at every different style of wedding, from casual to formal and small to large. My light-hearted and outgoing approach to your day, allows me to capture photos with natural emotion, not forced. My past clients will tell you, I deliver what I promise, beautiful, fun, trendy and classic photographs, in which every generation will find favorites. I look forward to capturing your wedding day!

Kevin
